Dear Mike,

This letter follows up with you regarding the status of your employment. On Friday, February 22, 2002, I met with you to discuss a number of problems and irregularities. As we discussed, we were inclined to end your employment at that time. You, however, urged me to give further consideration to the matter. You were placed on suspension pending further investigation in consideration as to whether or not there are any facts to mitigate my previous determination as to how to proceed.

At this time, we have further reviewed the facts. We would like to meet with you on Friday, March 8, 2002 to discuss with you our findings and determinations. I understand that while you have been on suspension, you have requested a sick leave until March 13, 2002. If you are not able to meet this week, we can meet before you return to work on March 13, 2002.

Sincerely,

Patrick McKeown  
Executive Vice President
